Hospital Obrero
LIMA - PERU

Mi estimado amigo,

acabo de recibir carta del
Dr. José González cuya copia le acompaño.

Tenemos, en consecuencia -
el tiempo justo para citar a los directores
de la "Asociación Interamericana de Hospita-
les.- Si a Ud. le parece, entonces, envíeme
la lista y las direcciones respectivas y si
es posible, papel con el membrete actual, que
Ud. me dijo que había hecho hacer.- Creo que
la carta de citación podría ser mas o menos
como la que le adjunto.- Hágale Ud. las co-
rrecciones que estime convenientes y deme su
Vo.Bo. para distribuirla de inmediato.

González, en su carta, ha-
bla de la concurrencia de algunos norteameri-
canos.- Me imagino que muchos de los sudame-
ricanos del Directorio no podrán ir si no re-
ciben alguna ayuda.- Muy probablemente van a
contestar preguntando sobre ello.- Le agrade-
cería que Ud. me diera una noticia, si puede.

Esperando su respuesta, lo
saluda su afectísimo amigo,

Dr. Ignacio González G.

Colega
DISTINGUIDO SEÑOR DIRECTOR,

en el mes de Julio próximo, se verificará en Bogotá, Colombia, el primer Seminario sobre Organización Hospitalaria correspondiente al programa latino-americano de la "American Hospital Association."

Aún cuando nuestra Asociación ha suspendido sus actividades desde hace algunos años, por circunstancias que Ud. conoce, nuestro Presidente, Dr. Almenara, interpretando el sentido de la Institución y el interés de los Directores y socios, ha estado colaborando en la realización de este programa, que corresponde punto por punto a la acción que nosotros teníamos trazada.

Como desde la reunión ~~de~~ Río, en 1950, la directiva de la AIAH no se ha renovado, ~~de orden del señor Presidente~~ me permito citar a Ud. a ~~esta~~ reunión que se verificará en el próximo mes de Julio en Bogotá.- En ~~esta~~ reunión, se tratarán las siguientes materias:

- a) cuenta del señor Presidente sobre la marcha de la AIAH, ~~durante estos años.~~
- b) discusión sobre el futuro de la Institución, y reformas que pueda ser necesario introducir en los estatutos y reglamentos.
- c) colaboración con el programa latinoamericano de la ~~AIAH~~
- d) designación de un Secretario Ejecutivo, y
- c) designación de ~~un~~ nuevo Directorio.

Creemos, estimado colega, que si, por circunstancias ajenas a ella misma, la AIAH ha estado en sueño desde 1949, no por ello han muerto los ideales que la animaban, y que la circunstancia de que la ingtitudción congénera norteamericana se proponga un programa semejante, nos obliga a infundirle nueva vida para colaborar en él en su calidad de genuina representante del espíritu fraternal que anima a los hombres de las dos américas que sienten preocupación por los problemas hospitalarios.

La circunstancia de que a Bogotá concurrirán en calidad de profesores o expertos varios directores de la AIAH, hace muy favorable la oportunidad para reunirnos y debatir nuestros asuntos institucionales y para vincular a la AIAH a muchos hombres que, de las dos americas, concurrirán a aquel Seminario.

Como los plazos no permiten una consulta previa, antes de esta citación y como muy probablemente ya estará Ud. informado de la reunión de Bogotá, nos hemos permitido hacer de ~~partida~~ esta citación tentativa ya que suponemos que Ud. como muchos de los Directores tendrán planeada su concurrencia a Colombia para Julio.

De todas maneras, querríamos saber su ~~reacción~~ ^{parecer} ante esta citación, así como las ideas o sugerencias que Ud. crea conveniente hacer al respecto.

Tan pronto como recibamos su respuesta y ~~uno~~ tengamos una información mas exacta sobre las fechas y programa del Seminario de Bogotá, ~~no~~ ^{no} haré un deber de comunicárselos así como el lugar, día y hora de la o las reuniones nuestras.

Esperando verlo en Bogotá y con los saludos personales del Dr. Almenara, me suscribo como su muy afectísimo amigo y colega,
