Dear Dr. Kinde:

I was away from Concepción for a few days, so I could'nt answer your letter by return mail.

Dr. Beddings is willing to accept a fellowship in Biology.- I have had a long talk with him and he is ready upon his return from the U.S.A. to work full time in the University.

As far as I know, Dr. Beddings sent his application and his papers to the W.K. Kellogg Foundation last

With best wishes,

yours sincerely,

Dr. Ignacio González G.
