Dear Doctor Gonzalez:

I am writing to express the appreciation of the Officers and Board of Regents of the College to you for your contribution to the success of the Third Inter-American session recently conducted in Lima.

Those in attendance at the sessions were most generous in their praise of the excellent program and we want you to know that your contribution was an important factor in creating this favorable response. Meetings of this type are extremely valuable to the surgical profession in all the Americas and undoubtedly do a great deal to enhance the value and prestige of this organization.

We hope that we may have the good fortune to have you with us on the programs of many of our future meetings.

Sincerely yours,

H. P. Saunders, M.D., F.A.C.S.
